

The September meeting of the Badlands Quilter Guild was held on the 16th in Watford City at the Mason Building.

Kathy Klang reported that retreat registration is up this year with over 60 registered and Jody Renbarger reported the at financials look good with this number. We did have to get a new caterer this year because the kitchen is no longer usable at the community center in Medora and they now require only a licensed cater be used.

Kathy Johnson is doing a presentation on all the mystery quilts she has taught since the first retreat and is only short one example..Stars and Bars. If anyone has it made up let her know.

It was discussed and decided to dress Semi-Formal for the Saturday night banquet in honor of the 25th Anniversary theme.

There was some discussion on future teachers and this will be discussed more at the retreat meeting when more members can have input.

Kathy Johnson asked if it was ok to throw away a large pile of past teacher contracts she had and no one knew of any reason to keep them so they will be destroyed.

The meeting was adjourned and lunch was served by the Watford City ladies.

The next meetings will be in October at retreat and then in January at sleep over.

From the President:

Hopefully everyone is ready for retreat. If you are coming and have any questions, please contact Kathy Klang or me. You should have ordered a tuffet kit if you are taking that class and patterns for the Judy Niemeyer classes. Kits are available for the Noel class. Be sure to let Merry Moose know about a kit, pattern or any other supplies. (701-463-2199). Be sure to read thru the requirement for the Sally Terry Classes and you should have received additional instructions from Lauren Rogers. Lauren will be available Thursday after 3pm if you need help or have questions. We will be at the community center doing set up so just stop by.

Remember sleepover the 3rd weekend of January at the AmericInn. WE sew Thursday thru Sunday noon. The guild pays for the sewing room and we do bring some potluck and snacks. This is an open sew time when everyone works on whatever project they choose. It is always a great time to sew and visit!! See you at retreat.

P.S. it's not too late to sign up for retreat. Some classes are full but others still have openings. Contact me if interested.
